

# ADVANCED CIRCUITRY INTERNATIONAL

“EXPERTS IN BOARD-TO-BOARD, CONNECTOR AND COMPLEX SUB-ASSEMBLY HAND SOLDERING”

ACI has earned a reputation of helping our customers efficiently focus the use of their manufacturing resources by reducing the number of suppliers they manage, lowering their inventory, reducing their unit cost and increasing their top line growth.

- MRP driven shop floor control
- Automated Labeling ID & Serialization
- IPC-610 & J-STD-001 Certified Operators
- Inventory and stocking programs available
- Vast International logistics experience
- Experts in board-to-board, connector and complex sub-assembly hand soldering
- Prototypes-to-large scale ramp-ups
- Extremely competitive pricing points
- Continuity and impedance electrical testing
- ITAR Certified
- RoHS Certified
- IPC member
- ISO 9001-2008 Certified
- New state-of-the-art facility

## WHY SHOULD YOU ENGAGE ADVANCED CIRCUITRY INTERNATIONAL'S ASSEMBLY DIVISION?

- Cost reduction through vertical integration
- Technical expertise and commitment to solve our customers problems
- We reduce your overall cycle time and mitigate the risks of program failure
- Our in-depth experience allows our customers to focus on their core competencies
